

Rally on “Nasha Mukht Bharat Abhiyan.”

On 5th December, 2025

The fourth day of the NSS Annual Special Camp witnessed a highly impactful and energetic awareness campaign under the national initiative “Nasha Mukht Bharat Abhiyan.” A spirited rally was organised from Government Degree College, Dehar, to the adopted village Alsu, led by NSS volunteers and members of the college Prahari Club. The rally was accompanied by NSS Programme Officer Dr. Jai Kiran, NSS Nodal Officer Dr. Sanya Kumari, Prahari Club Nodal Officer Prof. Meera Sharma, Assistant Librarian Mr. Nanak Chand, and Superintendent Mr. Jagdish Chand.

The rally commenced from the college premises in the morning and covered the entire route to Alsu amidst enthusiastic participation. Volunteers raised powerful slogans such as “Nasha Chhodo, Jeevan Apnao,” “Say No to Drugs, Say Yes to Life,” and “Nasha Mukht Bharat – Humara Sankalp, Humara Bharat” throughout the march. The rhythmic chanting of slogans drew the attention of villagers, passers-by and shopkeepers, creating widespread awareness about the menace of drug abuse.

Upon reaching Alsu, the volunteers conducted door-to-door interactions and street-corner meetings with the community members. Through posters, pamphlets, and direct conversations, they highlighted the devastating effects of substance abuse on health, family, and society while promoting the vision of a drug-free India.

The programme culminated with a solemn oath-taking ceremony administered by Prahari Club Nodal Officer Prof. Meera Sharma. All volunteers, faculty members, and villagers pledged to remain free from intoxicants and to actively work toward making their families and village “nasha-mukt.” The oath resonated deeply among the gathering and reinforced collective commitment to the cause.

The day’s activities successfully sensitised the rural community about the Nasha Mukht Bharat Abhiyan and strengthened the bond between the college and its adopted village. The active involvement of both NSS and Prahari Club members under the guidance of faculty members made the fourth day of the camp both meaningful and memorable.
