CHOICE BASED CREDIT SYSTEM (CBCS)

Choice based Credit system (CBCS) for UG Classes under Rashtriya Uchchatar Shiksha Abhiyan (RUSA) was introduced in the year 2013, wherein the courses are measured in terms of credits. Further in the year 2016 the new Choice based credit System was introduced in accordance with UGC guidelines. The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates in order to bring uniformity in evaluation system and computation of the Cumulative Grade point average (CGPA) based on student's performance in the examinations, the UGC has formulated the guidelines to be followed.

1. **Discipline Specific Core Course (DSC):** A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course:** A course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective course.

(i) **Discipline Specific Elective Course (DSE) (2 each for regular courses):** Elective courses offered under the main discipline /subject of study is referred to as a Discipline Specific Elective.

(ii) **Generic Elective Course (GEC):** An elective course chosen from an unrelated discipline/subject with an intention to seek exposure to other subjects/disciplines is called a Generic Elective Course.

3. **Ability Enhancement Course (AECC):**

(ii) **Skill Enhancement Courses (SEC) Minimum 4:** These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on / training/field work.

Duration (Time Frame) : The UG programme is for a minimum period of three years and a maximum of five years from the date of admission of the candidate. Each academic year shall comprise of two semesters, viz. odd and even semesters. Odd Semesters shall be from June to October and the even semester shall be from November to April. There shall be in each semester not less than 90 working days with 450 teaching hours.

This explains why usually 'credit' is taken to mean 'credit hours'. The credits also determine the volume of course contents and delivery of programme such as lectures, tutorials, practicals, assignments, etc.
